

David Alls

Upper Honors Mathematics Instructor

David Alls brings a wealth of experience to Kingdom Leadership Academy. After a long career teaching mathematics and computer science in the University of Maryland System, David came to KLA to teach honors courses in Algebra II and Pre-calculus. David holds a B.S. in Mathematics from Salisbury University, an M.Ed. in Mathematics Education from the University of Virginia, and an M.S. in Applied Computer Science from the University of Maryland. His goal in teaching math to honors students is to communicate to them the beauty of mathematics as part of God's creativity and order and to go beyond rote memorization to an understanding of mathematical principles.
